Keir's still battling for Hartlepool

LABOUR leader Sir Keir Starmer has insisted the party is "fighting for every vote" in the Hartlepool by-election as an opinion poll showed the Tories opening up a double-digit lead in the constituency.

Ahead of Thursday's vote, the poll for ITV's *Good Morning Britain* put the Conservatives on 50 per cent, 17 points ahead of Labour in a seat it has held since it was created in 1974.

Sir Keir (above), who has visited the area three times recently, said he hopes Labour will not lose another seat in the party's so-called "red wall".

In a radio interview he said: "I hope we won't lose Hartlepool. We are fighting for every vote there."

"I said on the day I was elected that it was a mountain to climb. It is, we are climbing it and I've got a burning desire to build a better future for our country."

23 dead after metro plunge

AT least 23 people have been killed and dozens injured after a metro overpass collapsed in Mexico City while a train was travelling on it, officials say.

Several train carriages plunged to the ground, crushing at least one car, which was on a busy road underneath.

Rescue workers and firefighters are searching for survivors after the accident in the capital late on Monday.

Local residents had reported cracks in the structure after a deadly 2017 earthquake, according to local media.

YOU SICK BASTARDS!

Evil China MOCKS India's COVID tragedy

THE evil Chinese Communist Party's secret police force has been forced to withdraw a social media post which MOCKED India's COVID-19 death crisis.

The Central Political and Legal Affairs Commission posted on its official Sina Weibo account, the Chinese equivalent of Twitter, sharing side-by-side images of a Chinese missile launch next to cremation fires in India.

Viral

It was captioned: "China lighting a fire versus India lighting a fire."

An accompanying hashtag noted that coronavirus cases in hard-hit India have exceeded 400,000 a day.

The image on the account, which has

15 million followers, quickly went viral and prompted howls of outrage from users who were angered by the posting, especially as it was the Chinese who started the pandemic with their godless habit of eating bats.

China's slippery foreign ministry tried to shift the focus by stating: "We hope everyone gives attention to the Chinese government and mainstream public opinion supporting India's fight against the epidemic."

The surge of coronavirus cases in India has overwhelmed the country's crematoriums, morgues and hospitals.

More than 218,000 people have died in the world's largest democracy, which is a fierce rival of China.

Hols abroad if overseas cases down

BRIT holidaymakers could visit destinations including Italy and France this summer if COVID-19 cases there can be driven down to UK levels, a top boffin says.

Prof Neil Ferguson, from Imperial College London, whose work informs Government scientists, said he had not yet booked a break abroad but the risks were focused on countries with higher infection levels than the UK.

It comes after the European Commission said it would ease restrictions on travel to the bloc amid progress in vaccinations and lower infection rates.

Prof Ferguson (above) told the BBC: "I think if for instance, by the summer, infection levels in France and Italy are the same sort of level as they are here, then there's no risk associated with travelling overseas."

"The risk comes from going from a place like the UK with very low infection levels and going to a place with much higher infection levels and therefore having the risk of bringing infection back."

Manufacturing hits 27-yr high

THE UK's manufacturing sector hit growth speeds not seen in nearly 27 years as the post-COVID recovery gathered pace, according to new data.

The IHS Markit/CIPS Purchasing Managers' Index hit a score of 60.9 in April, beating 58.9 in March.

Anything above 50 is seen as a sector which is growing.

Respondents to the monthly survey said they have seen output growth due to the loosening of lockdown restrictions, improved demand and rising backlogs of work.

It means manufacturing in the UK has now seen growth for 11 months in a row.

QUARRY ARREST: Gordon had body parts in suitcases

Victim dismembered with circular saw, shocked court hears

A WOMAN who murdered her friend and dismembered her body after demanding a sexual relationship with her has been jailed for life.

Gareeca Gordon, 28, stabbed Phoenix Netts, 28, at the property where they both lived in Birmingham on April 16 last year.

Bristol Crown Court heard Gordon stabbed Ms Netts four times, causing fatal injuries, before dismembering her body with a circular saw.

Gordon then set about deceiving her victim's friends and family through text messages, emails and voice messages that she was still alive and had moved to London.

Gordon was arrested near Coleford in the Forest of Dean at about 11pm on May 12 last year, with cops finding her beside a quarry with two suitcases containing the remains of Ms Netts.

Gordon had previously pleaded guilty to Ms Netts' murder days before she was due to stand trial.

Opening the case for the prosecution, Andrew Smith QC said Ms Netts had told a friend in February 2020 that Gordon had "demanded sex with her" and became "aggressive" when she said no.

NASA admits: We can't stop killer asteroid

ARMAGEDDON: We'll all die

NASA scientists have concluded that even a nuclear bomb wouldn't be able to stop a giant asteroid from destroying a huge chunk of earth.

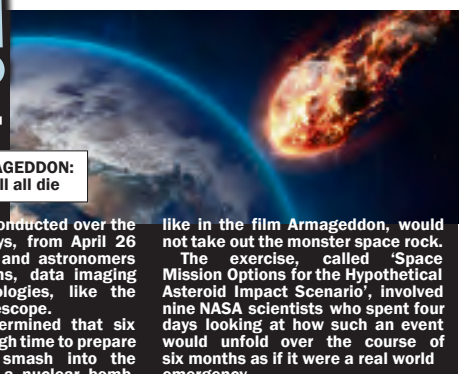

In a simulated exercise, U.S. and European scientists were told they had six months to come up with a lifesaving plan to stop a massive rock smashing into earth that had been spotted 35 million miles away.

The study was conducted over the course of four days, from April 26 through April 29, and astronomers used radar systems, data imaging and other technologies, like the world's largest telescope.

The boffins determined that six months is not enough time to prepare a spacecraft to smash into the asteroid and that a nuclear bomb,

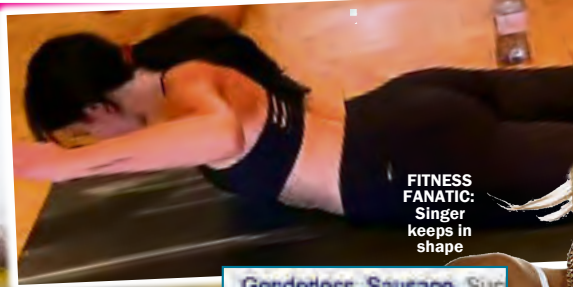

like in the film *Armageddon*, would not take out the monster space rock.

The exercise, called "Space Mission Options for the Hypothetical Asteroid Impact Scenario", involved nine NASA scientists who spent four days looking at how such an event would unfold over the course of six months as if it were a real world emergency.

SHE has a sensational figure and maintains it by having a regular fitness regime.

And Dua Lipa showed fans one of the exercises she practises, as she did a number of back extensions in a video she shared via her Instagram stories.

But her healthy lifestyle pictures were quickly seized upon by slandering SEX TROLLS!

The singer, 25, opted to wear a cage-detail black sports bra and leggings for the fitness routine, which saw her lay on her front and pull her back up to help strengthen her lower back muscles.

Sniffing

Her pet pooch Dexter was seen sat between her legs as she did the exercises, seemingly unfazed by her workout.

Unlike the sex trolls who were MASSIVELY steamed up when the snaps were published on the website of the once-respectable Daily Mail.

One drooled: "I would drink her sweat", while another slavered: "Would love a go".

Yet another salivated: "That's a nice, beautiful healthy ass", and one even dribbled: "...that dog is crazy not to be sniffing that booty".

Now you can have COVID as a pet!

AN animal shelter has come under fire for naming a dog up for adoption COVID! Animal rights groups say the moniker is “insulting” and harms the chances of the pup getting adopted.

The American Staffordshire and Terrier mix (*above*) is up for adoption at the Amarillo Animal Management and Welfare pound in northwest Texas.

“These dogs need everything to help them get adopted,” Dana Fuchs, a New York-based animal advocate said.

“The name to me is just so insulting to all the people that have died from this illness and from the brutal process of death that this dog is probably going to undergo.”

In a photo on the adoption page, the black and white mutt is being held by a leash, the white parts of his coat are soiled and he appears dirty.

Fuchs said with a name like Covid, it would take a “miracle” to get him adopted.

The dog has since been renamed amid the backlash.

Street w*nker also pulled for having cannabis

A MAN has admitted exposure and outraging public decency after he furiously masturbated in the street.

Simon Burnley, 46, appeared via videolink at Worcester Magistrates Court where he admitted the offences.

Burnley, of Worcester, pleaded guilty to an act of outraging public decency (performing a sexual act upon himself) in Spring Gardens, Worcester, on March 29.

On the same day he also had cannabis, a class B drug, in his possession.

He also pleaded guilty to exposure in Worcester on April 24.

Sentencing will take place at Worcester Magistrates Court on May 27.

Brave Britons ignored chilly weather and stripped nude at the weekend to celebrate World Naked Gardening Day.

The first Saturday in May sees countless brave planters rush outside wearing no clothes at all to carry out their weeding, planting and trimming.

While it does have links to nudist movements centring around body acceptance, its founders say the day is meant to be liberating, comedic and non-political.

Here are just a few who shared their antics online...

Man facing charges over Lubbock death at Barrymore home

PROSECUTORS are to consider whether to charge a man who was arrested on suspicion of the indecent assault and murder of Stuart Lubbock at the home of entertainer Michael Barrymore in 2001.

Essex Police said a file is to be submitted "imminently" to the CPS for consideration.

A 50-year-old suspect, who has not been named, was arrested in Cheshire on March 17 after "significant new information" came to light, the force said.

He has since been released under investigation.

Butcher Mr Lubbock had been attending a party at Barrymore's luxury home in Roydon on 31 March 2001 when he died.

A post-mortem examination showed the 31-year-old had suffered severe internal injuries which suggested he had been sexually assaulted.

Alcohol, ecstasy and cocaine were found in his bloodstream.

The coroner recorded an open verdict.

It's lunchtime, so loan application ends up in bin!

BANK credit officers are more likely to reject loan applications shortly before their lunch break, research suggests.

A study indicated that "decision fatigue" around midday was associated with defaulting to the safer option of saying no, with loans more likely to be approved earlier and later in the day.

Decision fatigue is the tiredness caused by having to make difficult decisions over a long period.

Previous studies have shown that people suffering from decision fatigue tend to choose whichever option is easier or seems safer.

Researchers from Cambridge University's Department of Psychology looked at the decisions made on 26,501 credit loan applications by 30 credit officers of a major bank over a month.

But back in 2016 she played Emma Moxham alongside *Killing Eve* star Jodie Comer in the BBC3 drama *Thirteen*.

Stroppy woman sprayed Febreze on shitting lizard

A WOMAN is facing animal cruelty charges after she sprayed a lizard with Febreze and threw it across a room in temper after it shat on her bed.

Hannah Buchanan's boyfriend told cops he grabbed the lizard and took it to the bathroom to wash off the fabric deodoriser.

He said Buchanan followed him to the bathroom and was yelling, pushing and slapping him.

The police report says Buchanan then grabbed the lizard and threw it on the ground approximately six feet away from the couple.

Buchanan's boyfriend recorded the incident and showed officers in Oklahoma City a video which matched his story.

Buchanan, 24, told officers she did get upset when the lizard pooped on her bed but that she sprayed the Febreze around the top of the lizard's cage but did not directly spray the lizard.

As for throwing the lizard, Buchanan said it fell out of her hand.

Dementia couple used Morse code to escape home

AN elderly couple used their knowledge of Morse code to escape from an old people's home.

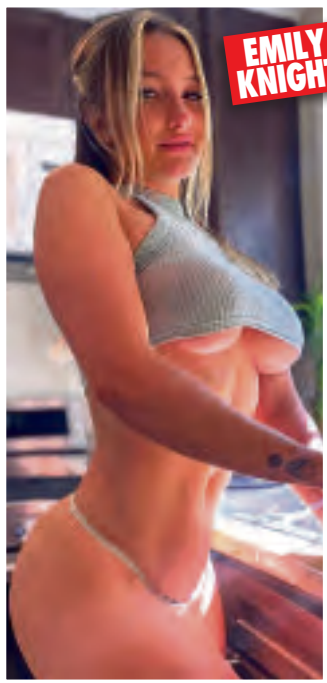

The husband and wife, who have dementia and Alzheimer's, were able to decipher and memorise the code to an electronic door lock at the home in Lebanon, Tennessee.

They were missing for 30 minutes before a stranger found them walking about two blocks from the facility.

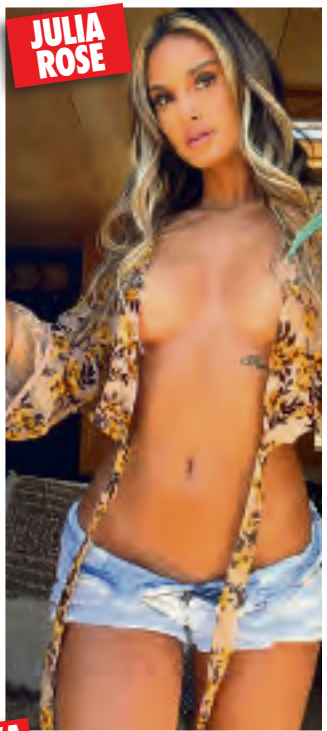

The husband said he had "previously worked with Morse code in the military" and used that experience to learn the code of an electronic keypad as staffers punched it in.

State officials fined the home as a result of the escape.

The facility said it had changed all its exit codes and would check on residents more frequently.

RUNNING
OUT OF
BEER!**

news@sundaysport.co.uk

Publicans and brewery owners are worried about how to keep up with customers' overwhelming thirst for beer, wine and spirits in the face of supply chain issues and staff recruitment problems.

Some pub-goers are already reporting visiting pubs which have sold out of beer.

Richard Whitaker, 36, was supping a pint at the Deviant & Dandy brewery in Hackney, London, but revealed that many pubs he had visited had sold out of ale.

"Two days ago I was at a pub in Deptford, where they sold out of beer. I was disappointed," he said.

But he wasn't letting the prospect of a beer shortage spoil his fun.

"I'm having a great time out and about. It's good to see friends again, I just hope the beer doesn't run out like the other day," he said.

According to industry analysts CGA Strategy, the first week of reopening in England saw sales at a similar level to the same week in 2019.

Heineken is said to have limited sales of two of their beers, Birra Moretti and Amstel, restricting supplies to three kegs per pub.

Taylor Connoll, from Deviant & Dandy, said: "The first week we had a brew of pale ale and usually that would last us a couple of weeks.

"Within five days it was all out. We had to get the brewer straight back in again. We don't want to be a brewery that doesn't have any beer."

Emma McClarkin, chief executive of the British Beer & Pub Association, said: "There's been lots of enthusiasm to return to pubs, which is great news for our sector. It does mean demand has been higher than expected."

"There is still plenty of beer for everyone. Pub-goers can rest assured that they can still visit their local and enjoy a fresh pint."

Naked man waved knife at Morrisons

A NAKED man was seized by cops after wielding a knife in a Morrisons car park.

The totally nude male was seen pacing the area around the supermarket in Morley, near Leeds, with a large knife making threats.

West Yorkshire Police is understood to have responded to numerous calls from concerned staff.

The male, wearing no clothes, was seen waving the knife in his left hand and walking towards the store entrance at around 9.30pm.

Shocked shoppers near the supermarket darted off to escape a potentially terrifying ordeal.

It is not believed any injuries were sustained in the scary incident.

It is understood officers quickly responded and detained the male.

Chip shortage taking buzz out of sex toys

A GLOBAL shortage of microchips is putting the squeeze on space age sex toys!

The scarcity means higher price tags for consumers, longer waits for goods, empty store shelves and swathes of the business world racing to secure whatever supply they can.

And it could lead to a shortage of high-tech vibrators that use advanced science to give ladies a buzz in their minges.

San Francisco-based sex toy company Crave Inc. is redesigning half its product offerings this year to hedge against the chip shortage and to carry out scheduled product upgrades.

With a typical product containing 30 different electronic parts, including semiconductors, Crave began stockpiling chips late last year, said chief executive Michael Topolovac.

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

WAS that it?

Was that really the big reveal we'd been waiting bloody years for? That the curly-haired, thick-as-mince detective chief inspector Brummie was really the criminal mastermind H? No. No way.

Not having it. You can't be some genuinely evil, calculating, powerful, ruthless, super-secret underworld OCG boss AND sound like Benny from *Crossroads*.

Time to draw a line under *Line of Duty*.

There's nothing normal about the New Normal

JUNE 21 is the date the government has given for "the end of restrictions".

But just when you thought that "the end of restrictions" meant "the end of restrictions", I gently suggest one calms one's horses.

Because on Monday, foreign secretary Dominic Raab – the one who looks like He-Man's deadly foe, Skeletor – hinted "something about masks" will remain.

On the grounds you can't have "something" about masks – they're either on, or they're off – I delved a little deeper.

And here's how it will supposedly work – "supposedly", because I can't see how it really can.

So, from June 21, they're going to allow theatres, cinemas, bars and restaurants to open at full capacity so they can make some money again and send the government some tax.

But if you're finally watching the "new" Bond film, you can be sure you will be wearing a mask throughout.

Same too if you're off to watch a play or a pantomime.

And if you're out with your mates for a bite to eat, there will still be plastic screens everywhere and, when you get up to take a leak, your mask will have to go back on as you scurry between the tables to the loo and back.

Oh, and you'll be following a one-way system on your loo visits.

So, it's not really "the end of restrictions" at all, is it?

How can it be when almost all of them will still be in place?

A cynic might suggest that the only restriction that's being properly lifted is the ability to actually have a pint indoors, and that we should be bloody well grateful for it.

But no, actually.

We've spent a whole year putting up with this madness.

COVID infection rates have plummeted, deaths are low, the vaccine rollout is a runaway success.

Dreaded

True, things were hairy for a bit, while Boris and Co collectively lost their plots and kept changing their minds, but now we really do seem to be getting somewhere.

And then we learn that the dreaded masks will remain in situ.

We've also been hearing a lot about the "new normal". It was referred to in a way that implied it was all quite fun and wouldn't last forever.

But don't expect to see that anytime soon. And certainly not from June 21 onwards.

This IS the new normal now.

They just can't bring themselves to tell us yet.

ATTRACTION

By GRACE HOOPER news@sundaysport.co.uk

SERIES eight of *Naked Attraction* is widely acclaimed as the best yet!

For the uninitiated, the C4 late night hit, hosted by Anna Richardson, is a dating show with a difference...

A clothed person is faced with six naked people who are initially hidden in booths.

Their bodies and faces are gradually revealed through successive rounds, from the feet up. At each round, the chooser eliminates one naked person until only two are left, when the chooser also takes off their clothes to make the final choice.

The chooser then decides which person to go out with, and the two (or, sometimes, three) then go for a fully clothed date.

Stripping

The programme then presents their feedback after the date.

We've had everything in this latest run of the show from pensioners with pierced genitals to one red-faced contestant growing a BONER on screen!

And in *Sunday Sport*, we reported how contestant Melissa Edden liked stripping on the show so much, she became a PORN STAR!

And, of course, we've seen LOTS and LOTS of busters and fannies.

Here are some of the best bods from *Naked Attraction* over the years...

Why I love being naked...

I LOVE being naked and now that there are signs the weather is starting to warm up, I'll be getting naked in my back garden.

I'm not overlooked, so I can totally strip off and enjoy the sun on my bare skin.

But last year I was dozing off one day during that lovely summer and I heard, "Amazon delivery!". The driver had opened my back gate and was stood there holding a package.

He was more embarrassed than me!

Obviously, your parts are not exposed to the sun normally, so I need to rub lots of Ambre Solaire into my fully-shaved fanny.

As it happens, I've had quite a few volunteers to help me with that job!

FAMILIAR FACE: Milat was described as looking like Aussie cricket great Dennis Lillee

THE WOLF CREEK KILLER

WHEN British backpackers Caroline Clarke and Joanne Walters were found brutally murdered in September 1992, a newspaper ran the headline: "Beast of the bush: Brit girls victims of Oz serial killer."

It also speculated that the killer "could be a fiend responsible for the disappearance of 20 people in the area over 20 years".

Ivan Milat, who died in 2019 from cancer aged 74, had been convicted in 1996 of the murder of seven people, aged 19 to 22, who disappeared while hitchhiking south of Sydney.

But his death meant his suspected involvement in other disappearances may never be resolved.

The backpacker killings became the subject of intense international media scrutiny and speculation after the discovery of seven victims' bodies in makeshift graves in 1992 and 1993.

The horrific real-life events would become the basis for the 2005 flick *Wolf Creek* – about a crazy Aussie outbacker with a thirst to rob, rape and kill.

THE callous murders by the tanned, muscle-bound Aussie with the Dennis Lillee moustache seemed to reveal something uncomfortable about the nation's character.

Milat was one of six prime suspects in the cases of three women – Leanne Goodall, Robyn Hickie and Amanda Robinson – who all went missing near Newcastle, north of Sydney, close to where he often worked as a road worker, within four months of each other between 1978 and 1979.

In 2002, Milat was called to provide evidence at an inquiry into their disappearance, but no charges were laid.

He was born on December 27, 1945, the fifth of 14 siblings and one of 10 brothers.

Neighbours described the family as insular, and the young Ivan Milat did not stand out among his siblings.

How Ivan Milat's vile crimes inspired a whole genre of films

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

But as they grew older, petty theft and troublemaking graduated to break-and-enter and burglary.

A fan of fast cars and Brylcreem, with a quiet charm and fastidious nature, he found time to have affairs with two of his brothers' girlfriends in the same period.

In the 1970s he was tried but acquitted of raping 18-year-old Margaret Patterson,

who had been hitchhiking to Melbourne with a friend.

He often bragged to friends about his capacity for violence.

He described how to turn a person into "a head on a stick" by stabbing them in the spine.

And he was an avid shooter and often hunted in the forest where the bodies of his victims were found.

The murders we know about began in December 1989.

On the day before New Year's Eve, Deborah Everist and James Gibson, from Melbourne, set off from Sydney towards Albury, near the border of New South Wales and Victoria, to attend an alternative lifestyle festival.

Trek

They had planned to meet friends, but never arrived.

The other five victims followed similar paths.

Simone Schmidl, 21, from Germany, left Sydney for Melbourne on January 20, 1991. She had been due to meet her mother at Melbourne airport four days later.

Gabor Neugebauer, 21, and Anja Habschied, 20, also German, left Sydney on Boxing Day 1991.

The couple were supposed to be making the 4,000km trek to Darwin before returning

to Munich a month later. They never got on the plane.

Caroline Clarke, 21, from Surrey, and Joanne Walters, 22, from Maesteg in Wales, met at a backpackers' hostel in Sydney's Kings Cross and shared a flat there.

They had hitchhiked together a number of times in Australia to the small town of Mildura in Victoria, and on the way to Tasmania to pick fruit.

In April 1992 they left Sydney again, with vague plans that seemed to involve heading south towards Victoria, or to Perth in Western Australia.

But it wasn't until September 1992, when two runners discovered the first of the bodies –

those of Clarke and Walters – that the severity of the crimes began to emerge.

Walters had been stabbed 21 times in the back and 14 times in the chest. Her spine had been severed by one vicious blow.

Lying in scrub 10 metres away, Clarke had been shot 10 times in the head while blindfolded and stabbed in the chest. In October 1993, a bushman out collecting firewood found another body.

It was James Gibson. Police found Everist nearby.

A month later, the three Germans were discovered. They too had been viciously murdered.

After an intensive investigation, police

KILLERS CHOPPED UP DAD AND PUT HIM IN BIN BAGS

**MURDER
RAP: Cramer

A DAD-of-two was murdered and chopped into bits by two bloodthirsty killers.

Shopkeeper and church choir member Shane Nguyen disappeared last month, sparking a hunt for the 55-year-old Vietnamese-American.

Cops say an officer tried to pull over Mr Nguyen's minivan three days after he went missing in Fort Wayne, Indiana.

But the vehicle took off, eventually crashing into a fence, and three men ran off.

Inside the van, police found Mr Nguyen's dismembered body in plastic bags, as well as receipts for shovels, a hacksaw and a tarp.

By GRACE HOOPER
news@sundaysport.co.uk

Cramer asked Mr Nguyen (below) for a ride from Elkhart to Fort Wayne, then killed him at a self-storage unit rented by Cramer by bashing his head against a kerb.

The men allegedly shopped the next day for the tools, then returned to the storage unit where, court documents say, Cramer and Carreon-Hamilton told officers they mutilated the body.

Video at the site showed Cramer driving the van through the gate.

Items found inside the unit included a large knife, a blood-stained tarp and items connected to Mr Nguyen.

Abuse

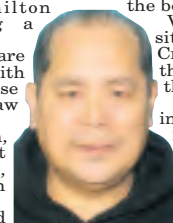

Detectives tracked down Mathew Cramer, 21, and Jacob Carreon-Hamilton, 20.

Cramer is charged with murder and Carreon-Hamilton with assisting a criminal.

The pair are also charged with abuse of a corpse and resisting law enforcement.

A third man, who has not been named, was released on police bail.

narrowed down the list of suspects to a few dozen.

But it was another Briton, Paul Onions, who provided the crucial piece of evidence.

Onions had managed to escape from Milat's vehicle in early 1990 and flew back to Australia during the investigation into the murders to identify him.

Gun

In January 1990, three weeks after Everist and Gibson disappeared, Onions had hitched a ride to Canberra with a moustachioed man he would later describe as looking like Australian cricketer Dennis Lillee.

As they drove down the highway, Onions became unsettled by the

questions the man, who gave his name as Bill, was asking.

Did anyone know where he was headed? Was anyone waiting for him in Canberra?

Had he done any special forces training in the navy?

Approaching Belanglo state forest, the driver pulled to the side of the road, saying he wanted to find some cassettes to play.

Instead, he produced a gun and a length of rope, telling Onions:

"This is a robbery."

The backpacker made a run for it. The two fought and the man fired a shot before Onions managed to flag down a car and escape.

Six years later, Paul Onions' testimony would be crucial to Milat's conviction.

When police searched his house in south-west Sydney in connection with the Onions robbery, they found items belonging to his victims.

More belongings were discovered with his

relatives. Milat was arrested in 1994 and convicted in 1996 after an 18-week trial.

He was held in a high-security unit at Goulburn Supermax in New South Wales, home to Australia's most dangerous criminals.

In May 2019, he was transferred to Long Bay in Sydney after he was diagnosed with terminal oesophagus and stomach cancer.

During his time in solitary confinement at Goulburn, he had been

on several hunger strikes and sometimes swallowed sharp objects if the guards did not meet his demands.

The legacy of his murders has, however, chillingly endured.

In 2012, Milat's great-nephew, Matthew Milat, was sentenced to at least 30 years in prison for the axe murder of a friend in the same forest.

The court heard he had gloated about the murder, saying: "That's what the Milats do."

Cut-throat killer at 14 dies in jail

A WANNABE serial killer who was a teenager when he fatally slit the throat of a 14-year-old classmate has died behind bars.

Michael Hernandez, a 31-year-old inmate at Columbia Correctional Institution outside Jacksonville, Florida, collapsed and died from a suspected drug overdose.

Hernandez (*above*) was 14 when he lured bespectacled fellow student Jaime Gough into a bathroom stall at their suburban Miami middle school in 2004.

Hernandez, who was obsessed with serial killers and had devised a list of people he wanted to murder, then stabbed Gough 40 times and cut his throat.

The teen fiend went to class afterwards with the bloody knife in his backpack.

A teacher noticed the blood on the student and called in cops.

Hernandez tried using an insanity defence at his trial.

But the jury found him guilty and he was sentenced to life behind bars.

TEACHER CAGED FOR SEX WITH 3 TEEN LADS

By **SUZIE SHELDON**
news@sundaysport.co.uk

A RANDY school miss who had sex with THREE hunky teen students has been caged for five years.

Cock-crazed Ashlyn Bell shagged two 17-year-olds and a 16-year-old.

Bell, 24, pleaded guilty to two counts of improper relationship between educator and student involving the 17-year-old boys and a single count of sexual assault of a child in relation to the 16-year-old.

According to cops, Bell used her work at Texas High School in Texarkana as a conduit for multiple sexual encounters with the boys in the autumn of 2019.

But Bell was rumbled when a teacher overheard a group of students discussing their sex romps with the blonde educator.

The teacher called police.

Investigators said Bell would take the boys to her home in New Boston, Texas, where they would engage in a multitude of sexual acts including oral, full sex and even taboo anal, up the arse.

One of the 17-year-olds said he and Bell first began chatting online and eventually arranged to meet at a truck stop.

The other 17-year-old said he had been to Bell's house before they had sex and she had teased him with the prospect of future sexual encounters.

On his third visit to her house, the pair had sex.

Bell then recruited her third victim, who was 16 at the time, through Snapchat.

She asked him to her house for sex following a football game.

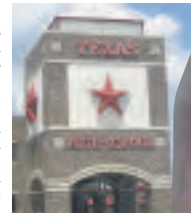

Bell must now register as a sex offender.

Jailed woman hid gun in fanny

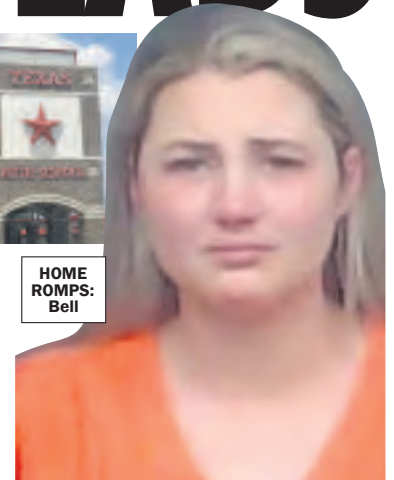

A WOMAN smuggled a gun into a county jail by hiding it in her VAGINA.

Amy Wilhite, 39, pleaded guilty to sneaking the loaded four-inch revolver into Boone County jail, Missouri.

Police and jail guards failed to detect the gun, which was eventually found by authorities 17 days after Wilhite was jailed for 10 years on separate gun and narcotics charges.

THE WORLD FAMOUS AGONY Page

I'M a 23-year-old blonde and I met the man of my dreams while I was out clubbing with my pals a few weeks ago.

He's a real hunk in his late 20s with a great physique from his regular workouts at the gym.

But I found out that not only does he still live at home with his mum but he's a trainspotter and likes to spend his weekends taking pictures of old steam engines!

I managed to persuade him to stay over at my place, where I discovered he has a penis to match the rest of his great body.

It's a good, solid nine inches but the problem is that he's not got much idea how to make the best use of it.

I've given him a few pointers, but when it comes to getting his long loco into my love shed he's a bit clumsy and arrives too soon.

Should I blow the whistle on our relationship?

JM. Cumbria

GIVE him regular sex and he'll soon get on track.

I'VE been married for 15 years and I've always fancied trying out a cucumber or carrot on the missus, to spice things up.

And I was inspired when I heard a programme on the radio about corn on the cob.

So the other night, while the BBQ warmed up, I produced a corn on the cob and, as the wife bent over the sink, I rubbed it in her bum crack.

Thinking it was me, she turned expectantly and was amazed when I blurted out what I wanted to do with it.

Amazingly she agreed and while she spread herself on the kitchen table, I carefully inserted it up her.

She later told me it was better than my knob – on account of its extra length, girth and knobbles.

Now I'm worried I won't be able to satisfy her. What can I do?

BW, Sussex

BW. Sussex

TRY a courgette next time!

Dear Ashleigh,

I LOVE to have sex with my
randy boyfriend and two of
his pals.

I'm a busty 20-year-old blonde, while my fella and his mates are in their early thirties.

I enjoy having a cock in my mouth, fanny and arse at the same time

For our sessions, I like to dress up in stockings and suspenders and lapdance for them.

I suck them off and then they take control and f**k me ragged!

Just last week, my fella and one of his mates took me up the arse at the same

time - it made me climax
long and hard!

Then they all spurted their love juice over my big boobs.

But the problem is my bloke says he wants us to get married and that his cock will then be the only one I'll be getting.

I'm really gutted, as I love my sex life just as it is now.

What can I do?

LH. Essex

Ashleigh says...

TELL him to wait, you're far too young for marriage.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters. And here's her advice for you...

Mr Fix-it nailing me four times a week

Dear Ashleigh,

I'M a 36-year-old mum-of-two and I was devastated when my husband left me for a younger woman two years ago.

I didn't sleep for weeks and turned into a virtual recluse.

Then, around three months ago, I had a carpenter in to repair a broken cupboard in my kitchen and my life virtually changed the moment I saw him.

He was a real hunk and very friendly, we got on great.

Licking

And after he'd done the job, I found him some more work – just to keep him in the house a little longer.

When he'd finished the tasks, I made him a coffee and we sat chatting for a while.

Finally, I plucked up the courage and asked him: "Would you like to have sex before you leave?"

To my surprise – and delight – he said yes.

A couple of minutes later we

were naked on my bed and I was in heaven as he went down on me, licking and sucking on my fanny for ages – until I was nearly squirting.

I then guided his length into me and I was soon near orgasm as he thrust harder and harder in and out of me.

And then I came as he shot his love juice deep inside of me.

After a few moments' rest, I couldn't wait to get his cock in my mouth and I licked and sucked him to hardness again while gently massaging his swollen balls.

Since then, my handsome joiner has been bonking me four times a week – and I'm loving every moment of it.

But the best news is that my husband's young floosie has had enough of him and thrown him out.

Do you think my life has finally changed for the better?

KB, Cornwall

Ashleigh says...

GOOD on you, girl. I'm pleased you're having the time of your life with your new man.

Dear Ashleigh,

I'VE been with my missus for 14 years and the sex was getting pretty boring.

But three months ago she turned into a right little raver and now likes doing it in all kinds of positions.

She even asked me to shag her up the bum, which has always been a no-no up until now.

Well, I was totally up for it and I shagged her doggy-style first before I started teasing her arsehole with my cock.

But as I was about to plunge my manhood up her butt, she told me to stop and said she wanted me to use a dildo on her.

I was amazed when she reached out to the bedside drawer and pulled out a dong about 10 inches long.

She oiled it and told me to stick it up her pussy as I shagged her arse.

But I'm gobsmacked at the change that's come over her.

Do you think we should get counselling?

VW, Leicester

Ashleigh says...

NO. Get stuck in and enjoy it.

Dear Ashleigh,

A COUPLE of weeks ago my kinky girlfriend organised a threesome for my 40th birthday with her and her fit mate.

I shagged them both and got a great gobble off her mate.

Now her friend is pestering me for a repeat performance – but just the two of us this time.

Would this be cheating?

SM, East Yorkshire

Ashleigh says...

YES – suggest another threesome.

Dear Ashleigh,

I'VE been boning my neighbour for the past six months. She's a busty blonde in her mid 40s and I'm 26.

We got friendly and I ended up doing her from behind on the couch.

The problem is that she now wants to move in with me.

What should I do?

PD, Norfolk

Ashleigh says...

TELL her to slow down a bit.

Sharing my sex skills helps win contracts

Dear Ashleigh,

MY amazing boyfriend likes to watch me having sex with other men – usually his fit mates from the pub football team.

I don't mind because I have a really high sex drive and I love having more than one hole filled.

Recently, I've been shagging some of his work colleagues too.

They're usually all older and in their early 40s.

Last week I even went with two fellas aged 57 and 59!

They were both still in pretty good shape and clearly went to the gym.

And they both had nice, thick cocks – something I always love inside me.

So first off I gave them both a good, long sucking

– tugging one while I slurped on the other, before swapping over.

And they both took me from behind, then they watched as my fella f**ked me over the settee.

But I'm suspicious about my boyfriend's motives and I've told him that I think he's using me to get contracts for his firm.

But he insisted it's just about us.

I really love him – and enjoy some of the new sex partners he introduces me to.

What should I do?

FK, Lincoln

Ashleigh says...

FIND someone else – you deserve better.

'Doing something wrong just feels so sexy and right!'

#MY SEX FANTASY

MY wildest sexual fantasy is having sex with someone I really shouldn't be having sex with.

It's the forbidden fruit thing. When you know it's wrong and someone should be off limits, that makes for some incredible sexual chemistry!

I had the most animalistic shags with my gorgeous personal trainer when I had a boyfriend. Oops!

He was gorgeous and we had been flirty from the start. Working out together and getting sweaty and him touching my body to show me how to do the exercises...

Available

One day it just got too much and I knew I had to have him.

He took me right there and then in his gym. We could have got caught because there were a few people downstairs!

I've slept with a few men who haven't been available. There was one guy who hit on me while we were out at a restaurant in a group.

Right in front of his wife he was touching me up under the table. I was rubbing his hardening cock with my foot!

I know it's really bad and I do feel awful afterwards, but there is something addictive when you're doing something you know you shouldn't be doing.

I'm sure I'll want to settle down one day. But until then, I can't help getting carried away!

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to request@sundaysport.co.uk telling us why you want to see your favourite girl, then sit back and let us do the rest.

DENISE GOMEZ

ROOFER Harry Greeves can't get enough of naughty Denise Gomez and emailed us asking for a new photo of his favourite topless model.

Harry, from Droitwich, Worcs, said Denise, from Bournemouth, is his dream girl.

He said: "Denise has the lot, really long dark hair and a perfect pair of 34C boobs, plus I reckon she's a real animal in the bedroom."

"I'd love to see her topless again, I don't think she's in the paper enough, so please can I see more of her soon."

CINDY MILO

BUSTY blonde CindyMilo gets Ishmael Ahmed's heart beating that little bit faster every time he sees a photo of her.

Ishmael, 23, from Newcastle, is currently at university but he'd love to teach Cindy everything he's learned in his biology lectures.

He said: "Cindy's got the perfect curves, her 34Ds are sensational."

"I could show her how the reproduction system works!"

JAKKI DEGG

CALL centre operator Michael Jarvis reckons there's no woman quite like Jakki Degg.

Michael, 56, has been working at the Eastleigh-based call centre for years but there's only one person he'd love to have a chat to.

And he believes he could even talk Jakki, from Stone, Staffs, into bed.

He said: "She's a real fiddle is that Jakki and her 32Cs are sensational – there's no woman quite like her."

"I reckon I've got the gift of the gab and I'd try my best to charm her into bed – what a night that would be!"

#HOT'N'HORNY

HEAVENLY Hannah Prentice is tattoo good to be true – because she has an inking on her MINGE! The stunna paid for a heart on her most intimate area.

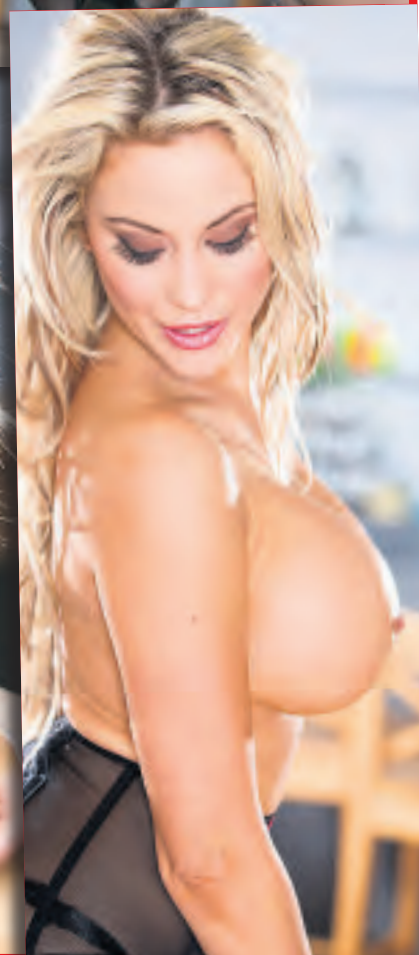

Busty 32DD blonde Hannah, from Romford, Essex,

said she got the body art drawn after an all-night boozy bender on a girly holiday in Magaluf and it gives her nothing but joy.

She said: "I don't regret it. I'm always doing crazy stuff when I'm drunk!"

REAL DEAL: Thierry Henry

Henry backs Ek Arsenal takeover

ARSENAL legend Thierry Henry says Daniel Ek is the real deal.

The billionaire owner of music service Spotify says he wants to buy the Gunners because he's a lifelong fan.

The Swede has teamed up with club legends like Henry and Dennis Bergkamp to help launch a £3bn bid to buy from the Kroenke family.

And Henry says Ek is no gloryhunter.

He added: "Daniel is an Arsenal fan — he hasn't said that for publicity, he has been an Arsenal fan for a long time.

"He approached us, we listened to him, when we knew first and foremost that he wanted to involve the fans we actually met the Arsenal Supporters' Trust and told them what we wanted to do which is to bring them back on board.

"He wants to reinject the Arsenal DNA, the identity that is long gone.

"You don't have Arsenal people there among the board that can sometimes show the right direction and that is what Daniel wants to do.

Solution

"He already said he collected the funds so he can make sure he can make a good bid.

"Now obviously they need to listen and see what they can do.

"Something that is very important about it, saying they want the owner out, we are trying to offer a solution of having the fans as the DNA back of the club."

Henry is not overly optimistic that Ek will get his hands on Arsenal any time soon.

He added: "A takeover is going to be very long and not easy if it ever happens.

"Daniel will not move away, he will be there waiting to see if they want to sell, that is going to take a long time.

"We know what we want to do but first and foremost we need to make sure we can takeover, if they are listening.

Lets see where it is going to go, he reached out.

"I don't know now how far they went."

RANGERS BOSS OPENS UP ON HIS GREATEST

STEVIE G: TITLE MY BIGGEST WIN YET

STEVEN Gerrard has hailed his first league title as right up there with anything he did as a player.

The Liverpool legend famously never won the league during his glittering career at Anfield.

So it's extra special for the 40-year-old to have led Rangers to their first Scottish Premiership crown in more than a decade.

He took over at Ibrox three years ago with the job of knocking Celtic off their perch.

It looks like he has done that with a thumping 4-1 win in the latest Old Firm derby the highlight.

The icing on the cake would be to go through the whole league season undefeated. Rangers have two more games left — against Livingston and

Aberdeen — to bring up that milestone. That would match the Hoops of 2016-17.

Gerrard says he won't be patting himself on the back for too long when this season finishes.

He is already thinking about retaining the Premiership and making a mark in Europe. And he is determined to bring the Scottish Cup back to Ibrox too.

He said: "I'll be immensely proud of what we achieved, I'll reset myself and do whatever I need to do in the background to try and make this group as strong and competitive as I can.

"I'm as ambitious as anyone connected to this club. I want to try and get this club Champions League

football and to defend our title with our life, and I want to put the cup thing right as it doesn't sit well with me.

"I want to come back in pre-season with a fair chance of being successful, that's all I ask for. Hopefully, the board will support me on that and we go again."

Not everyone was convinced that Gerrard was the right man for Rangers when he left Liverpool's academy three years ago.

He has silenced the critics and knows that he was lucky to get such a big club as his first job.

And he was always determined to make the most of the opportunity handed to him.

He believes Rangers is an ideal place to gain experience because of the pressure to perform from the

fans — plus the 50,000 gates when supporters are allowed back into stadiums.

Gerrard added: "I knew it was big but you educate yourself even more.

"You listen to ex-players, supporters, people who have worked at the training ground and Ibrox over many years, and you get more education in terms of the size and magnitude.

Linked

"I always knew it was an institution but when you go away on European games and are involved in Old Firms, and you're sampling it for yourself, this club has really blown me away in terms of size and stature."

Understandably, Gerrard's success in Glasgow means he is linked

ACHIEVEMENT IN FOOTBALL SO FAR

STEVIE GLEE: Gerrard has finally won a league title as Rangers boss — and he's already planning for the next campaign

with a return to Anfield when Jurgen Klopp moves on.

It looks as though the German wants another two or three years in the Liverpool hotseat before leaving club management for good.

He was strongly linked with the national team job but decided it has come too soon for him.

But it seems like the 53-year-old won't do a Fergie and stay in charge into his 70s. And bookies make Gerrard a big favourite to be the man to succeed Klopp.

He has another couple of years to really win trophies at Ibrox to seal the deal with the Reds' owners.

But he's currently 6/4 favourite with the bookies ahead of Klopp's No2 Pep Lijnders on 5/2.

Another Liverpool legend Xabi Alonso is 11/2 and he'll be hoping to

do well in charge of Real Sociedad B team in the Spanish second tier.

But it would be no surprise to see Gerrard at Anfield if he continues to shine in Scotland.

And he took advice from Klopp before heading to Ibrox.

Gerrard said: "I remember having a conversation with Jurgen about management before I even took this role — what are some of the key things you can tell me?"

"What can I take from you that will help me moving forward as a manager?"

"He always said to try and be as balanced as you can. Now I know exactly why he said that."

"Because this journey takes you all over the place — incredible feelings, but it has also taken me down as well."

LOOKING UP: David Moyes

Moyes on the attack to nick top-four spot

DAVID Moyes says there will be no holding back from his West Ham players as they go for a top-four finish.

The Hammers came from behind to sink Burnley and keep their Champions League dreams alive.

With four games to go, the eastenders are just three points behind Chelsea although the Stamford Bridge boys have a much better goal difference.

But Thomas Tuchel's men have a tough run-in. They face Manchester City, Arsenal, Leicester and Aston Villa — and they have a potential Champions League final to focus on.

West Ham have no such distractions and take on Everton, Brighton, West Brom and Southampton.

Moyes is determined to give his team the best possible chance by picking up all 12 points.

And he will go on the front foot to do it.

Moyes said: "We've not got much room for many defeats, we're going all out to try and get a result."

"We are there, we are around a wee bit at the moment."

"We are going to try and keep up with the teams at the top."

"Whether we can make the top four I am not sure but I would really like to try and get ourselves in a position where we could possibly make Europe and we are in there fighting with four games to go."

"I'd love to be in

Europe. It would be an incredible achievement for the club to make it.

"We're really not far away from the Champions League positions."

"We've got to keep believing."

"Four games to go, it's great to be in the hunt. I want to smile about it."

"I've been here before — we'll probably have to win the four games."

"If we played the way we played against Burnley we'll give most teams a game."

Crouch backs Benitez

PETER Crouch thinks Tottenham could do a lot worse than get Rafa Benitez in as their next manager.

The names are dropping like flies with Julian Nagelsmann and Erik Ten Haag ruling themselves out.

Brendan Rodgers looks to be staying at Leicester and there is the noise of barrels being scraped with names like Graham Potter and Gareth Southgate in the mix.

Former Spurs and Liverpool hitman Crouch thinks Benitez would be steady pair of hands. He said: "I could not have any more admiration for Rafa than I do. His attention to detail is exemplary and he devotes every second of every day to the game."

"In terms of Tottenham, it wouldn't be the worst shout. He's proven at the highest level, his CV is superb — there are worse candidates, for sure."

REDS NEED HARRY

Rene: Kane can bring title back to United

HARRY Kane can bring the Premier League title to Manchester United.

That's the view of former Red Devils' assistant boss Rene Muelenstein.

Fergie's old right-hand man thinks the Spurs and England striker is all United need to get back on their perch. And Ole

By JOHN ANTHONY

Gunnar Solskjaer should break the bank to get the deal done this summer.

Unless Spurs do something drastic with their new manager this summer, it looks like Kane could be on his way.

United are right in the running to buy him even at the £100m-plus asking

price. He would be the ideal man to link the play with Marcus Rashford and Mason Greenwood.

Having so much power and pace up front would transform United.

Muelenstein said: "To compete and win the title you have to invest."

"If United would be able to bring Harry Kane in, I think they would really be-

come Premier League title contenders.

"Whether that's going to happen, we'll have to wait and see. We've got some really good kids coming through."

"But they need a bit of investment. If they would be able to invest and bring someone like Harry Kane in it would make a massive difference."
